Re: Monthly Well Measurement Data

Dear Mr. Gessel:

In the past, Circle Four Farms has provided monthly reports on the meter readings and water usage from its wells to the Milford Water Commissioner.

April McKeon, Milford Water Commissioner, reports that Circle Four Farms no longer provides this monthly information. Among the other data she collects, this monthly data from Circle Four Farms is very helpful to the water commissioner in overseeing and regulating water use in the Milford area.

Beginning immediately, I am requesting that Circle Four Farms again provide this monthly data to the water commissioner. This data would best be transmitted to her by e-mail in Excell spreadsheet format. Her e-mail address is [AMcKeon@scinternet.net](mailto:AMcKeon@scinternet.net).

Thank you for your help and cooperation in this matter. If you have any questions concerning this request, please contact Mike Silva, Distribution Engineer by phone at 801-538-7430 or by e-mail at [MikeSilva@utah.gov](mailto:MikeSilva@utah.gov) or Kurt Vest, Regional Engineer by phone at 435-586-4231 or by e-mail at [KurtVest@utah.gov](mailto:KurtVest@utah.gov).

Sincerely

Lee H. Sim, P.E.  
Assistant State Engineer for Field Services
